Teacher Access Center (TAC) 3.1 Update

Login Procedures

Teacher Access Center 3.1 (TAC) is a web-based student information system that allows teachers to record attendance and grading information for their students.

Important Computer Requirements when accessing TAC

Any operating system (OS) for Windows that will support the required browsers:

- Internet Explorer 7.0, 8.0, 9.0 (Internet Explorer 10 works in compatibility mode only)
- Firefox 11.x
- Safari 5.0.5
- Adobe Acrobat Reader 4.0 or higher

MAC OS X with the required browsers:

- Safari 5.0.5
- Firefox 11.x

Logging in to Teacher Access Center (TAC)

1. Go to: <https://eschoolplus31.k12.ar.us/TAC3.1>

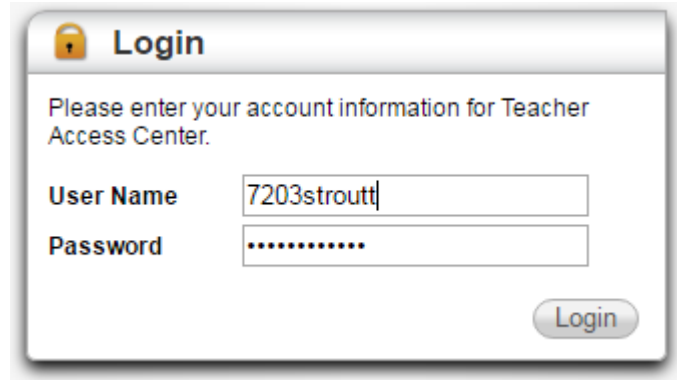

2. Teachers will be prompted to enter their username and password.

- All usernames will be preceded by **7203**
- For example, **stroutt** would login as:
7203stroutt
- **Three unsuccessful password attempts** will result in the user being locked out for **30 minutes**. The user must wait **30 minutes** to try to login to TAC 3.1 again.
- If a user gets permanently locked out, please email your username and your request to:

leanne.patterson@fayar.net

OR

julie.brannon@fayar.net
